PROFILE

My name is Ferdy Apriliyanto, I'm 19 years old. I am currently a second semester college student at IBI Kesatuan.

I've started coding from 2018 and my first language is C++, But now I found myself more interested on front-end development. HTML, CSS, JS and it's frameworks are the languages I focused on.

SKILLS

- HTML
- CSS
- JS
- PHP/Laravel
- VB. NET
- Dart
- C++
- MySQL/PostgreSQL
